

The Truth in Savings Act, Regulation DD, was enacted to help consumers understand the terms and conditions on which interest is paid and fees are assessed. First Internet Bank (“First IB”, “the Bank”, “we”) attests the information in this disclosure is accurate as of 2/11/2020.

Account Description: First IB Interest Checking is a transaction account for those who want the flexibility of a checking account but want to earn interest on their money as well. This account is designed for you to take advantage of our online and mobile banking features.

Minimum Balance: A minimum balance of \$100 is required to open the account. An average daily balance of \$500 is required to receive interest and to avoid a \$10 monthly maintenance fee.

Rate Information: The Interest Rate (at which interest is paid on the principal balance) is 0.70% and the Annual Percentage Yield (at which an account would earn interest each year if all interest paid on the account remains in the account) is 0.70%. The Annual Percentage Yield is based on no withdrawal of credited interest and no change in the interest for a full year. The interest rate for this account is determined at the discretion of the Bank and may change at any time.

Interest Compounding: Interest will be compounded and credited monthly on the last business day of the month. If the account is closed prior to the last day of the month, interest accrued but not credited will be forfeited. Interest is calculated by the daily balance method, which applies a periodic rate to the end of day balance in the account each day. Interest will begin to accrue no later than the business day we receive provisional credit for the deposit of noncash items (for example, checks) into your account.

Fee Information: Fees specific to this account include:

Monthly Maintenance Fee: A monthly maintenance fee of \$10 will be waived if you keep an average daily balance of \$500 in the account.
