

The Truth in Savings Act, Regulation DD, was enacted to help consumers understand the terms and conditions on which interest is paid and fees are assessed. First Internet Bank (“First IB”, “the Bank”, “we”) attests the information in this disclosure is accurate as of 01/31/2023.

Account Description: First IB Health Savings Account is an interest bearing checking account. This account is designed for those who have a high deductible health plan.

Minimum Balance: There is no minimum balance required to open the account or to maintain in the account to avoid fees or to obtain the annual percentage yield disclosed.

Rate Information: The Interest Rate (at which interest is paid on the principal balance) is 0.15% and the Annual Percentage Yield (at which an account would earn interest each year if all interest paid on the account remains in the account) is 0.15%. The Annual Percentage Yield is based on no withdrawal of credited interest and no change in the interest rate for a full year. The interest rate for this account is determined at the discretion of the Bank and may change at any time.

Interest Compounding: Interest will be compounded monthly and credited on the last business day of the month. If the account is closed prior to the last day of the month, interest accrued but not credited will be forfeited. Interest is calculated by the daily balance method, which applies a periodic rate to the end of day balance in the account each day. Interest will begin to accrue no later than the business day we receive provisional credit for the deposit of noncash items (for example, checks) into your account.
